

“Explore The Trades Skills Lab, Built by Ferguson”

School Information

1. Name of School:
2. Address:
3. What grade levels does the school serve?
 - Middle School (grades 6-8)
 - High School (grades 9-12)
4. Number of students served:
5. What percentage of the student body receives free and reduced lunch?
6. What is the demographic makeup of the student body?
 - Male %: _____
 - Female %: _____
 - BIPOC %: _____
7. For which trade is your skills lab built?
 - Plumbing
 - HVAC
8. How long has the class been offered to students?
9. Describe the growth of the program (i.e. student enrollment).
10. Please briefly describe the types of repairs or new equipment that is needed.
11. Is space refurbishment needed for required city and/or building code?

12. What is the curriculum for the current trades class?
13. What is the estimated number of students who will be impacted if the skills lab is refurbished?
14. Please provide the proposed floorplan of the classroom and equipment.
15. Upon receiving new equipment and/or completing space refurbishments, what is the anticipated date by which the class could be open to the student body?

Industry Partnership Information

1. Does the school program work with an industry partner?
2. If so, please explain the history of the partnership and how it benefits the school, the industry partner, and the community.
3. What goals would the host company and school look to achieve (or have achieved) with this partnership?
4. How has success been measured with this partnership?
5. Did this partnership exist prior to this project?
6. If this application is not selected, is it financially feasible for the class to continue?

I understand and acknowledge that the equipment will never be sold on a public site, such as Craigslist or Facebook Marketplace, or used in a personal residence, customer residence or on any property outside of the school. The purpose of this program is to build the next generation of technical talent and all products requested are to be used in a school setting.

I confirm that all statements above are accurate and true to the best of my knowledge.

Should this application be accepted, I agree to track student participation and progress for the purpose of the grant evaluation process.
